DESTINATION SAN ANTONIO

Few destinations provide a sense of place like San Antonio. Here, Mexican, European and Western cultures have blended into a unique personality.

Much of the city's unforgettable landscape has grown along the banks of the River Walk where stone paths connect hotels, restaurants, shops and the Henry B. Gonzalez Convention Center in the downtown core. The 15-mile River Walk also links Spanish Colonial Missions (a World Heritage Site, along with the Alamo), museums, and the Pearl, a former brewery reborn.
